S.O. 2381.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see figure), is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby publishes the certificate of approval of Model of non-automatic weighing instrument (Platform Type) with digital indication (hereinafter referred to as the Model) of "AP 5" series, belonging to Medium accuracy class (Accuracy class III) and with brand name "ATARI", manufactured by M/s Atari Electro-Weigh, 1, Sarjan Apartment, Jayant park society, Ghodasar (Isanpur), Ahmedabad and which is assigned the approval mark IND/09/00/81;

The model is a non-automatic weighing instrument of platform type with digital indication of maximum capacity 30 kg, minimum capacity 100 g. and belonging to medium accuracy class (accuracy class III). The value of verification scale interval (e) is 5 g. The display unit is of Light Emitting Diode (LED) type. The instrument operates on 220 V, 50 Hertz alternate current power supply.

Further, in exercise of the power conferred by sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum number of verification scale interval (n) less than or equal to 10,000 ($n \leq 10,000$) and with "e" value to 1×10^k , 2×10^k , and $\infty \times 10^k$, k being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials which, the approved model has been manufactured.

का.आ.2382.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) तथा बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अवधियों में भी उक्त माडल यथावत् बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा करता रहेगा:

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, मैसर्स ई. जी. कांटावाला प्रा. लि., सं. 28/11, ओल्ड नगर, मुंधवा रोड, दामादर नगर, आक, नगर रोड, खराडी पुणे-411014 द्वारा विनिर्मित अस्थायित्व यांत्रिक व्यक्ति तोलन उपकरण, जो साधारण वर्ग का है और जिसके ब्रांड का नाम "ईगल" है (जिसे इसमें इसके पश्चात् मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/2000/12 समनुदेशित किया है, अनुमोदन प्रमाणपत्र प्रकाशित करती है।

यह मॉडल अस्थायित्व, यांत्रिक साधारण वर्ग का है (वर्ग 4) तोलन (डायल प्रकार की) मशीन है इसकी अधिकतम क्षमता 150 कि. ग्रा. और न्यूनतम क्षमता 5 कि. ग्रा. है। सत्यापन मापमान अंतराल 500 ग्रा. है। यह ऐमा उपकरण है जिसमें तोलन संश्रावली और उस व्यक्ति के जिसका भार किया जाना है खड़े होने के लिए प्लेटफार्म है। व्यक्ति का भार, बिना किसी टिकट के, डायल पर उपदर्शित होता है।

S.O. 2387.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of self-indicating, non-automatic, (table top type) weighing instrument with digital indication of medium accuracy (Accuracy Class III) and with brand name "nuway" (hereinafter referred to as the Model) manufactured by M/s. Accord Electronics, 3/36, Anant Building, 217, Princess Street, Mumbai-400002 and which is assigned the approval mark IND/09/2000/117;

The said Model (figure given) is a weighing instrument with a maximum capacity of 10 kg and minimum capacity of 20g. The verification scale interval (e) is 1g. It has a tare device with a 100 per cent subtractive retained tare effect. The Light Emitting Diode display indicates the weighing result. The instrument operates on 230 Volts and 50-Hertz alternate current power supply;

And further, in exercise of the powers conferred by sub-section (12) of section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instrument of same series with maximum capacity up to 50 kg with number of verification scale interval (n) less than or equal to 10,000 ($n \leq 10,000$) and which 'e' value 1×10^K , 2×10^K , 5×10^K , K being the positive or negative whole number or equal to zero, manufactured by the same manufacturer with the same principle, design and with the same materials with which, the approved Model have been manufactured.

S.O. 2392.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain the accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-section (7) of section 36 of the said Act, the Central Government hereby publishes the certificate of approval of the Model of the non-automatic weighing instrument (Table Top type) belonging to High Accuracy (Accuracy class II) with digital display of "KTWH" series with brand name "Kanva" (hereinafter referred to as the model) manufactured by M/s.Kanva Plastics Pvt. Ltd., Survey No. 47/2, Bisuvanahalli, Doddaballapur, Bangalore-561203, and which is assigned the approval mark IND/09/2000/110;

The said model (The figure given) is non-automatic weighing instrument. The maximum capacity is 12 kg. and minimum capacity of 20 g. The value of verification scale interval (e) is 1 g. It has a tare device with a 100 percent subtractive retained tare effect. The load receptor is of rectangular section of side 275 × 325 millimetre. The Light Emitting Diode (LED) display indicates the weighing result. The instrument operates on 230 Volts and 50-Hertz alternate current power supply.

Further, in exercise of the powers conferred by sub-section (12) of the said section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 50 kg. with number of verification scale division (n) less than or equal to 1,00,000 ($n \leq 1,00,000$) and with 'e' value of $1 \cdot 10^k$, $2 \cdot 10^k$ and $5 \cdot 10^k$, k being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the approved model has been manufactured

का.आ. 2393.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा मॉडल अनुमोदन और परीक्षण के साथ उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात्, यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) बाल और माप मानक अधिनियम, 1976 (1976 का 60) और बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अवधियों में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा करेगा रहेगा;

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, मैसर्स कनवा प्लास्टिक्स प्रा० लि०, सर्वे सं. 47/2, थिमुयनहल्ली, डोडाबल्लारपुर, बंगलूर-561203 द्वारा विनिर्मित मध्यम यथार्थता (यथार्थता वर्ग III) वाले "के टी डब्ल्यू एम" शृंखला के अस्वचालित अंकक प्रदर्श सहित तोलन उपकरण (टेबल टॉप प्रकार) के मॉडल का, जिसके ब्रांड का नाम "कनवा" है (जिसे इसमें इसके पश्चात् "मॉडल" कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी 09/2000/111 समनुदेशित किया गया है, अनुमोदन प्रमाणपत्र प्रकाशित करती है।

यह मॉडल (आकृति देखें) 4.5 कि.ग्रा. की अधिकतम क्षमता और 20 ग्राम की न्यूनतम क्षमता का अस्वचालित तोलन उपकरण है। सत्यापन मापमान अन्तराल (ई) मान 1 ग्राम है। इसमें एक आधेयतुलन युक्ति है जिसका शत प्रतिशत व्यवस्थिततात्मक धारित आधेयतुलन प्रभाव है। भार ग्राही आयताकार सेक्शन का है जिसकी भुजाएं 260/290 मि.मी. हैं। प्रकाश उत्सर्जक डायोड प्रदर्श तोलन परिणाम उपदर्शित करता है। उपकरण 230 वोल्ट और 50 हर्टज प्रत्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है;

और, केन्द्रीय सरकार उक्त अधिनियम की धारा 36 की उपधारा (12) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह घोषणा करती है कि मॉडल के इस अनुमोदन प्रमाणपत्र के अन्तर्गत, उसी शृंखला वाले ऐसे उपकरण भी होंगे जिनकी अधिकतम क्षमता 50 कि.ग्रा. तक है और जिनका विनिर्माण उसी विनिर्माता द्वारा उसी सिद्धान्त, डिजाइन और उसी सामग्री से किया जाता है जिसमें अनुमोदित मॉडल का विनिर्माण किया गया है और जिनके सत्यापन मापमान अन्तराल (एन) की संख्या 10,000 से कम या उसके बराबर है (एन \leq 10,000) तथा जिनका "ई" मान 1x10 के, 2x10 के और 5x10 के हैं, जहां के घनात्मक या ऋणात्मक पूर्णांक या शून्य के समतुल्य है।

AWARD

The Central Government has referred the following dispute under clause (d) of sub-section (1) of sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred as the Act, 1947) for adjudication.

"Whether the action of the Sr. Supdt. of Post Office, Alwar in terminating the services of Shri Banwari Lal Saini is legal and justified? If not, to what relief the workman is entitled?"

The applicant filed the statement of claim stating that he was appointed on the post of Dek Vahak a permanent post in the office of the non-applicant No. 2 on 18-6-96. He continued to work upto 14-2-97 but his services were terminated w.e.f. 15-2-97 without any cause. He worked for more than 2864 G1/2000-19

240 days during the above period. The non-applicant terminated his service violating Sections 25-1 and G of the Act, 1947 and Rule-77 of the Industrial Disputes (Central) Rules, 1957 (hereinafter referred as the Rules, 1957). The establishment of the non-applicant falls within the definition of the "industry" as per Section 2(O) of the Act, 1947 and the provisions of Act, 1947 are applicable in his case. The applicant is unemployed since the date of the termination. It was prayed that the termination of the applicant be held unjust and illegal and the non-applicant should be directed to reinstate him in service with back wages.

On behalf of the non-applicant preliminary objection was taken that the establishment of the non-applicant does not fall within the definition of "industry". The services of the applicant are governed by Post and Telegraph Extra Department Conduct and Service Rules, 1964 (hereinafter referred as the Rules, 1964) and the provisions of the Act, 1947 are not applicable in his case. It was stated that the applicant was appointed temporarily as a substitute of Rambharse Dikshak who had remained absent without sanction of leave. The applicant was not appointed as per the prescribed procedure. The applicant does not fall within the definition of workman as given in the Act, 1947 as held by the Supreme Court in the Civil Appeal No. 3335-86, 1996 in the case Sub-Divisional Inspector Post V/s. Thevaran Joseph. It was stated that the applicant was engaged on 19-6-97 and not on 18-6-96 as stated by the applicant. No appointment letter was issued to the applicant for engaging him as a substitute. It was also stated that the applicant worked only for a period of 235 days during the period from 19-6-96 to 1-2-97.

The applicant also filed a rejoinder to the reply stating that the establishment of the non-applicant falls within the definition of "industry" and the applicant worked on a permanent post and the provisions of the Act, 1947 are applicable in his case.

On behalf of the pleadings of the parties the following points of disputes were framed:-

Points of disputes

1. आया अप्रार्थी विभाग उद्योग की परिभाषा में नहीं आता यदि हां तो इसका प्रभाव?
2. आया प्रार्थी को एग्जी श्रमिक के रूप में स्थायी रूप से रखा गया था यदि हां तो क्या वह औद्योगिक विवाद अधिनियम, 1947 की धारा 2(एम) के अन्तर्गत कर्मकार की परिभाषा में नहीं आता?
3. आया प्रार्थी श्रमिक पर अ.वि. विभागीय एजेंट (सेवा एवं आचरण) नियमावली, 1964 के नियम लागू होते हैं व औद्योगिक विवाद अधिनियम, 1947 के प्रावधान लागू नहीं होते।
4. आया प्रार्थी ने दि. 18-6-96 से 14-2-97 तक लगातार कार्य किया।
5. आया प्रार्थी के द्वारा औद्योगिक विवाद अधिनियम, 1947 की धारा 25 एफ़् जी एवं औद्योगिक विवाद (केन्द्रीय) नियम 1957 के नियम 77 का उल्लंघन किया गया
6. प्रार्थी किस सहायता को प्राप्त करने का अधिकारी है

The applicant in support of his claim filed his own affidavit and submitted copies of charge report (Ex. W-1 to Ex. W-24), copy of the order dt. 10-12-96 (Ex-W-25) and the copy of the failure report (Ex-W-26). The learned counsel for the non-applicant was given opportunity to cross examine him on his affidavit. On behalf of the non-applicant affidavits of

Shri J. M. Sunariwal, Senior Supdt. Post Office and Smt. Madhumita Das, Senior Supdt., RMS, were filed. The learned counsel for the applicant was given opportunity to cross examine them on their affidavits.

Arguments were heard and the record perused. The points of dispute are decided as follows:—

Point No. 1:—The learned counsel for the non-applicant has relied upon the decision of the Apex Court in Civil Appeal No. 3385-86/1996 Sub-Divisional Inspector of Post v/s Theyyam Joseph etc. reported in 1996 SCC (L & S) 1012 in which the postal department was held not to be "industry" under Section 2(j) of the Act, 1947. The above case has been over-ruled by the latter judgement of the Apex Court in case General Manager Telecom v/s Shrinivas Rao reported in 1998 (78) FLR 143. In view of this the contention of the learned counsel of the non-applicant that the postal department is not an "industry" has no force.

Point No. 4:—The applicant has submitted the copies of the charge report (Ex-W-1 to Ex-W-24) and also copy of the order (Ex-W-25). From the above documents it is clear that the applicant has worked as EDMC for a period of 235 days. The non-applicant has also admitted that the applicant worked during the above period. The learned counsel for the applicant has contended that during the above period 7-7-96, 4-8-86, 25-8-96 12-1-97 and 21-6-97 were sundays which have not been counted by the non-applicant, and if the above 5 days are counted, the period of total working days of the applicant, comes to 240 days. I find force in the above contention of the learned counsel of the applicant and if the above period of 5 days is added to the working days of the applicant the total working days of the applicant comes to 240 days. It is therefore, proved that the applicant has worked for a period of 240 days.

Point No. 2 & 3:—The learned counsel for the non-applicant has contended that in case of the applicant the provisions of the Rule, 1964 are applicable and the applicant does not fall within the definition of 'workman' and therefore, the provisions of Act, 1947 are not attracted in the case. He has relied upon the judgement of the Supreme Court reported in 1996 SCC (L & S) 1012 mentioned above. In para 11 of the judgement of the above case it was held that ED agents do not belong to the category of the workman attracting the provisions of the Act, 1947. Para 11 of the judgement is reproduced as under:—

"Para 11. It would be thus be seen that the method of recruitment, the conditions of service, the scale of pay and the conduct rules regulating the service conditions of ED Agents are governed by the statutory regulation. It is now settled law of this Court that these employees are civil servants regulated by these conduct rules. Therefore, by necessary implication, they do not belong to the category of workmen attracting the provisions of the Act. The approach adopted by the Tribunal, therefore, is clearly illegal."

In the above case the respondent was appointed as substitute to the regular candidate and worked as EDP without observing any formality of appointment. The learned counsel for the applicant has contended that the above case having been over-ruled by the latter judgement of the Apex Court the same cannot be relied upon, for coming to the conclusion that the applicant is not a workman. It may be stated that the above decision of the Apex Court has been over-ruled on the point that the postal department is not an industry. It has not been decided in the judgement in case reported in 1998 (78) FLR 814 AIR v/s Santosh Kumar that ED agents fall within the definition of 'workmen' as given in the Act, 1947. The learned counsel for the applicant has also cited 1987 (55) FLR 843 DRQ Employees F & T department, 1997 (75) FLR 603 Shantirov Mandal v/s Conciliation Officer and Joint Commissioner of Labour, High Court of Andhra

Pradesh, 1996 (1) LLN 934 Haryana Financial Corporation Chandigarh v/s Labour Court cum Industrial Tribunal, Rohtak and another, 1998 (80) FLR 54 Madhya Pradesh Text Book Corporation v/s K. K. Pancholi, 1998 (78) FLR 107 P. Virudhachalam and others and Management of Lotus Mills and others and 1980 LLN (II) 575 LIC of India v/s D. J. Bahadur. In the case reported in 1987 FLR 843 it was held that casual labour employed by P & T department should be paid equivalent to minimum pay to regular labour. In the case 1997 (75) FLR 603, workman was appointed for the duration of project and his termination before the completion of project was found in violation of Act, 1947. In case reported in 1996 (1) LLN 934 order of termination on the ground that the appointment order provides for termination of expiry of particular period was held to be retrenchment. In case reported in 1998 (80) FLR 54 it was held that Section 25-F is applicable to all categories of employees. In case reported in 1998 (78) FLR 107 the contention of the learned counsel for the applicant that "any other law" as provided in Section 25-J, would include even the Industrial Disputes Act, specially the provisions contained in Section 18 thereof, was found not acceptable. In case reported in 1980 (ii) LLN 575 by majority judgement it was held that in the case of settlement of industrial disputes including bonus, The Act, 1947 which is a special legislation will prevail over the provisions of LIC Act which is a general legislation. After the judgement of the Apex Court in case 1996 SCC (L & S) 1012 it has not been held by the Apex Court that if the services are governed by the statutory regulations, the provisions of the Act, 1947 will be applicable. The case of the applicant is squarely covered by the judgement of the Apex Court reported in 1996 SCC (L & S) 1012 and on the basis of the above decision of the Apex Court the applicant cannot be said to belong to the category of workmen attracting the provisions of the Act, 1947. Thus on the basis of the above authority it is held that in case of the applicant the provisions of Rule, 1964 are applicable and the applicant is not a 'workman' attracting the provisions of Act, 1947. It is also held that the applicant was engaged as a substitute to Rambharose who had proceeded on leave without permission as stated by Shri J. M. Sunariwal and Smt. Madhumita Das.

Point No. 5 & 6:—It is not in dispute that before the termination of the services of the applicant no notice or notice pay or compensation was paid to the applicant. It is not the contention of the applicant that some one junior to the applicant remained in the service. As the applicant has not been held to be workman and the provisions of the Act, 1947 are not applicable in his case, the question of violation of the above provisions of the Act, 1947 and rule-77 of the Rules, 1957 does not arise.

It may however be stated that the services of the applicant could have been terminated as per rule-6 of the Rules, 1964 which provides for one month's notice or basic allowance plus dearness allowance in lieu of the notice, in the case of an employee who has not rendered more than 3 year's service. The services of applicant have been terminated in violation of the above Rule. The Apex Court in the case reported in 1996 SCC (L & S) 1012 has allowed one month's basic allowances plus dearness allowance as per rule-6 of the above Rules. The termination of the services of the applicant is thus held to be illegal and unjust. He will however be entitled to one month's basic allowance plus dearness allowance as per rule-6 of the Rules, 1964. The applicant will be at liberty to apply alongwith other candidates when any vacancy of EDMC or EDP arises and is filled up. The non-applicant is directed to consider the case of the applicant which will be done according to the rules.

The copies of the award may be sent to the Central Government under section 17(1) of the Act, 1947 for publication.

IN THE COURT OF INDUSTRIAL TRIBUNAL-CUM-

PRESENT :

Sri K. Veerapu Naidu, B.Sc., B.L., Chairman and Presiding Officer.

Dated, 11th day of September, 2000

I.T. I.D. No. 28/98

Reference No. L-40012/84/97/IR(DU) dated 6-5-1998

BETWEEN

T. Sanyasi Rao (Scavenger).
S/o Satyam,
Pakivedhi,
Bobbili, Vizianagaram District. ... Workman.

AND

The General Manager,
Telecom Department,
Visakhapatnam. ... Management.

This dispute coming on for final hearing before me in the presence of M/s. T. V. S. Mahalakshmi and T. V. A. Narasimham, advocates for workman and Sri M. Ramakoti, advocate for management, upon hearing the arguments of both sides and on perusing the entire material on record, the court passed the following :

AWARD

(1) This is a reference made by the Government of India to adjudicate the following dispute :

"Whether the action of the management of Telecom Department, Visakhapatnam District, Visakhapatnam in terminating the services of Sri T. Sanyasi Rao, Ex Canal Mazdoor, Sub-Divl. Engineer, Telex, Visakhapatnam w.e.f. 1-2-96 is justified? If not, to what relief the workman concerned is entitled to?"

2. The case of the workman is that he served as Sweeper in the Velempet Tele Exchange, Visakhapatnam from the

year 1990. He is sweeping 48 quarters situated at Velem-peta, Damdu Bazar, Visakhapatnam from 8.00 a.m. to 6.00 p.m. and an appointment order was given and he was appointed on daily wages @ Rs. 18 per day and he was being paid wages once in a month. The then Asstt. Engineer by name Sri Prakash Rao asked him not to attend duty from February, 1996. So he approached the Asstt. Commissioner of Labour but in vain.

(3) On the other hand, the case of the management/telecom department is that the telecom department did not engage the workman nor paid any daily wages, it is the occupants of the 48 quarters, out of the funds pooled up or raised, engaged the workman as their employee to sweep and clean the premises of the 48 quarters and they have been paying the wages from out of the funds calculating the number of days he worked in a month. Since the amount was paid from the contingency fund, a receipt under ACG 17 was obtained as usual for such payment and during the internal auditing inspection in January, 1996, an objection was raised that the amount for claiming the P & T Colony should not be paid from the contingency fund of department and as such the workman was asked not to continue the work from 1-7-96 as he was disengaged from the said work. Therefore, the workman is not employed by the management and there is no employee employer relationship and pay muster is not maintained for him by the telecom department if any time. Therefore, the question of termination of his services does not arise by the department nor any relief could be granted to the workman.

(4) Before this Tribunal, the workman is examined as WW1 and got marked Exs. W1 to W34. On behalf of the management, one Divisional Engineer, Telecom Department is examined as MW1 and Exs. M1 to M14 are marked.

(5) Heard both sides.

(6) The point that arises for consideration in this reference is :

Whether the workman is the employee of Telecom Department and whether he is retrenched with observing the provisions of the I.D. Act?

(7) The workman filed the documents Exs. W1 to W4. Ex. W1 is the application to the Asstt. Commissioner of Labour on the ground that the workman was illegally removed from service and the Asstt. Commissioner of Labour in turn held enquiry and submitted his report under Ex. W2 to the Secretary, Government of India, Ministry of Labour and the Government in turn made the reference. His case is that he was working as Sweeper in the Velem-pet Quarters, 48 quarters situated in Velem-pet, Visakhapatnam and he was serving since 1990. At that time he was residing there in the quarters of the management under the Steps and he was being paid his salary @ Rs. 540 per month. It is also his evidence that he was given some proper at the time of appointment and he kept the same with Asst. Engineer by name Prakash Rao as he was sleeping under the steps and that Prakash Rao is examined as MW1, he denied the same. This WW1 in the cross-examination stated that Prakash Rao whom he referred was Presiding in one of the quarters in Dandubazar. Only once he was given a paper. He cannot say that he was not going to examine that Prakash Rao or not. He also admitted that he did not produce any piece of paper showing that he was employed in the official capacity in the office of the management located at Velem-peta. There are 48 quarters in the complex at Dandubazar. He also admitted that he was paying only Rs. 18 per day.

(8) Further, it is the evidence of MW1 that there are 8 blocks with 6 portions in each block as residential accommodation at Dandubazar. He was residing since May, 1990. Then he was Asst. Engineer. By making contributions from the occupants of the various Flats they are paying to the cleaners and scavengers. The petitioner was cleaning the drainage canals and roads in between the blocks and spending 2 hours for the day for this work. On behalf of the occupants he engaged him and the department has nothing to do with his service. They were paying Rs. 18 per day calculating the number of days of work @ Rs. 18 and they are paying at the end of the month depending upon the number of days he worked. Neither the workman himself nor his wife coming

and attending to duty. In anticipation that the department will sanction this amount, they and the amount to the workman. There is no engagement by the department of the services of this workman. He also denied that he was not given any paper by the workman to keep it as safe custody. He also further stated that apart from the amount paid from the departmental contingencies, they were also paying Rs. 10 per day. This Rs. 10 per month is paid for each quarter. He also admitted in the cross-examination that the department was paying certain petty amount to them and they were paying that amount to this work. The contribution payment was made earlier during his employment that this payment from the allowance given by the department was later followed. He also stated that the telecom department has nothing to do with the services of the workman. He denied a suggestion that the services of the workman was illegally terminated. Thus, the documentary evidence Exs. M1, to M14 are the temporary advance bills of the workman and they are from 1-9-94 to 10-1-96. Ex. X1 is the circular issued by the Telecom Department prohibiting the appointment of any contract labour for the work of sweeping, cleaning, dusting and watching of buildings owned or occupied by the establishments. Therefore, the material on record goes to show that the petitioner was not an employee of the Telecom Department and that he was being appointed or engaged by the occupants of the 48 quarters and the occupants have been paying the wages @Rs. 18 per day to the workman and his services are being utilised for sweeping, cleaning etc. in the premises of the quarters.

(9) However the learned counsel appearing for the workman contends that the workman is being paid the wages by the department and he is appointed by the management to sweep the premises of the quarters. He also further contended that the persons employed by the employer in operations, incidental to the main operations are held to be workmen of the Company. In support of his contention he placed reliance on a decision reported in 1963 (1) LLJ 436 between J.K. Cotton Spinning and Weaving Mills Company Ltd. Vs. Labour Appellate Tribunal of India and others wherein it is held under Sec. 2(S) of the I.D. Act that the Malis employed by the employer or in operations incidental to the main operations are held to be workmen under the definition of Sec. 2(S) of the I.D. Act. This decision has no application as that is a case where the Malis are appointed by the company and as such they are considered as workmen as defined under Sec. 2(S) of the I.D. Act.

(10) The counsel appearing for the workman also relied on a decision reported in AIR 1960 Bombay 216 between Ramakrishna Ramnath Kamptee Vs. State Industrial Court, Nagpur and others wherein it is held that an entry of person's name in attendance register maintained under Sec. 62 of the Factories Act, a presumption is to be drawn i.e. person was employed and therefore his name came to be entered into the attendance register. Here there is no attendance register and it is not the case of the workman that the management maintained any muster rolls to this workman.

(11) The counsel for the workman also placed reliance on a decision reported in AIR 1981 Supreme Court 1253 between Mohan Lal Vs. the Management of M/s. Bharat Electronics Ltd., wherein it is held that when the case is not covered by any of the exceptions in Sec. 2(a) of the I.D. Act, the termination of service amounts to retrenchment and when there is non-compliance of Sec. 25F, the retrenchment is ab initio void. There is no dispute with regard to the above said proposition. Here the question of retrenchment does not arise and the workman is not the employee of the respondent management. Therefore, the above said decision has no application.

(12) The learned counsel for workman finally submits that many factors like who is manager, who can dismiss, how long the alternative service lasts, what machinery is employed, have all to be kept in mind to decide a particular workman is the workman of employer or not. But here admittedly the amounts are being paid from out of the funds collected by the occupants. There is no iota of evidence to show that the management appointed this man or atleast the management authorities or any one of the occupants appointed him as a sweeper. On the other hand, the person who is alleged to have appointed the workman is examined as MW1 and he deposed that he engaged him on daily wages and he has

been paying the wages to the workman from out of the funds collected from the occupants of the quarters. Therefore, under the circumstances, I have no hesitation to hold that the workman is not the employee of the respondent management. Therefore, the question of retrenchment and the non-observance of the procedure under Sec. 25F of the I.D. Act does not arise. Accordingly I answer the reference in favour of the management and against the workman.

(13) In the result, nil award is passed. However, there is no order as to costs and each party is directed to bear its own costs.

Dictated to steno transcribed by her given under my hand and seal of the court this the 11th day of September, 2000.

में अधिनियम) निम्नलिखित विवादविषय के न्यायनिर्णय
हेतु प्रस्तुत किया गया है।

"Whether the action of management of C.P.W.D., Dehradun, in withholding the efficiency bar increment due on 1-10-91 and subsequent annual graded increments of Shri P. S. Saxena, whom it is just, fair & legal? If not what relief, he is entitled to and from what date?"

2. प्रशासन की ओर से एक संक्षिप्त उत्तर पत्रोचित किया गया जिसके द्वारा प्रशासन का कथन है कि कर्मकार को उसके वेतनमान नियत अधिध पर मिलने वाली वेतन-वृद्धि की स्वीकृति देकर उसके पूर्ण वेतन का भुगतान बराबर किया जाता रहा है तथा कर्मकार विनांक 1-1-98 से वेतनमान की अधिकतम सीमा पर पहुंच गया और उसे वेतन का भुगतान भी उसी प्रकार किया गया तथा उसके अतिरिक्त कोई धनराशि कर्मकार को देय नहीं थी।
3. उपरोक्त स्थिति में मैं इस निर्णय पर पहुंचा हूँ कि विवाद में बिना विवाद अधिनियम पारित किया जाना न्यायसंगत है अतः बाद में बिना कोई विवाद अधिनियम पारित किया जाता है।

AWARD

1. Central Government, Ministry of Labour, New Delhi, vide its notification nos given below has referred the following disputes for adjudication to this Tribunal—

1. Vide notification no. L-12012/379/96-IR(B-II) dated 13-1-98.

SCHEDULE

"Whether the claim of the Union of Spl. allowance paid to computer operator for Sh. S. K. Nigam the then data entry operator for the period from 17-5-90 to 20-11-95 is legal and justified? If so, he is entitled to what relief?"

2. Vide notification no. L-12012/375/96-IR(B-II) dated 13-1-98

SCHEDULE

"Whether the claim of the union of Special allowance paid to computer operator for Sh. S. N. Agrawal, the then Data Entry Operator for the period from 7-5-90 to 20-11-95 is legal and justified? If so, he is entitled what relief?"

2. As common questions of law and facts are involved in both these cases, hence they were consolidated by order dated 5-8-98 passed in I.D. No. 16 of 98 and I.D. No 16/98 was made leading case and accordingly they are being disposed of by one common award.

2. Common facts of both the cases are that both the workmen were appointed in clerical cadre in Union Bank of India. Later on both of them were appointed as Data Entry Operator at Zonal Computer Cell Lucknow, and worked there from 7-5-90 to 20-11-95. It has been alleged that the bank never purchased/installed Data Entry Machine and therefore, both workmen were deployed on 'on line computer terminal with alpha-numeric key board' and thus they discharged the duties of computer operator from 7-5-90 to 20-11-95. It has been alleged that according to clause 16 of Bipartite Settlement dated 29-10-1993 as modified vide Bipartite Settlement dated 14-2-95, special allowance for data entry operator was Rs. 285 per month whereas special allowance for computer operator was Rs. 410 per month. It has been alleged that as these workmen discharged the duties of computer operator although they were posted as Data Entry Operator, they were entitled to get special allowance of the post of computer operator at the rate of Rs. 410 per month but the bank paid them the special allowance @ Rs. 285 per month. Representation was made on their behalf to the bank but no attention was paid by them. Later on they approached ALC(C) and on his letter the matter has been referred to this Tribunal in terms of the reference mentioned above.

3. On the basis of these allegations both of them have prayed that they are entitled to get difference of special allowance between Data Entry Operator and Computer Operator for the period from 7-5-90 to 20-11-95.

4. The management of the bank has filed written statement with the contention that both the workmen were appointed as Data Entry Operator hence they were not entitled to get the special allowance prescribed for computer operator. It has been alleged that they have been rightly refused by the management the special allowance prescribed for Computer Operator.

5. The Union raising the dispute on behalf of the workmen have filed rejoinder affidavit in which they have reiterated the averments made in the statement of claim.

6. The parties did not adduce oral evidence in this case.

7. The workmen have filed documents ext W-1 to W-6 in their respective cases. Management have filed only one document marked ext. M-1 in both the cases.

8. I have heard the representative for both the sides and have gone through the record of the case.

9. Both the workmen have clearly pleaded in paragraph 6 to 9 of their respective statement of claim that both of them were appointed as Data Entry Operator at Zonal Office Computer Cell at Lucknow where they worked from 7-5-90 to 20-11-95. They have further stated that the bank never purchased/installed Data Entry Machine and therefore they were deployed on line computer terminal with alpha numeric key board and took the work on it from them for which higher allowance is permissible. These facts have not been specifically denied by the management in their respective written statement. On the other hand management has stated that allegations made in paragraph 6 to 15 of the statement of claim need no comments. It is settled principle of law that when the allegations of fact made in the plaint/statement of claim have not been specifically denied in the written statement, they should be deemed to have been admitted. The same view has been expressed by the Hon'ble High Court of Allahabad in *Mishri Lal versus Bhagwati Prasad*, 1955 ALJ 755 in the following words—

If the allegation of fact made in the plaint have not been specifically denied they should be deemed to have been admitted.

The fact which is deemed to have been admitted needs no proof and in these circumstances, this tribunal has no option but to believe the case of the workmen that although they were posted as Data Entry Operator in the computer cell Zonal Office Lucknow but they were asked to work on computer and they discharged the duties of computer operator during the period from 7-5-90 to 21-11-95 and the bank did not purchase data entry machine during the aforesaid period and took the work of computer operator from them.

9. The case of the management is that both the workmen were appointed as Data Entry Operator during the period from 7-5-90 to 20-11-95, hence they were entitled to get the special allowance for data entry operator and not the special allowance prescribed for computer operator. It may be pointed out that the bank did not dispute the rate of special allowance attached with the post of Data Entry Operator and Computer Operator which has been shown by the workmen in their respective statement of claim. Considering the facts and circumstances of the case, I do not find any force in the case of the management. When these workmen discharged the duties of computer operator and there was no Data Entry Machine in the bank they were entitled to get the special allowance of computer operator even if they were not appointed as computer operator by the management. As they discharged more onerous duty of computer operator for which higher allowance is prescribed, they were entitled to get the special allowance prescribed for computer operator. In a similar case of *B. S. Khanna versus State of Haryana*, 1992 Lab IC 916 at page 920 High Court of Punjab and Haryana has held as under—

So far as the claim of the petitioners who have been working against the posts of Sub Divisional Officers and have been discharging the duties of these posts without any extra remuneration of the pay attached to the higher post is concerned, there is no difficulty in allowing their claim as the matter is squarely covered by the judgment of the court reported as *Sewa Singh versus Punjab State Minor Irrigation Tubewells Corporation*, 1987 Lab IC 1873

Obviously when an employee has been entrusted with the duties of a higher post and is required to shoulder the responsibilities thereof as if he is a regular incumbent of the post he is also entitled to the salary and other emoluments attached to the higher post which his other counterparts are drawing only by virtue of being regular incumbents of the post. This is the precise mandate of the principle of equal pay for equal work.

10. The law laid down in the case cited above fully applies to the facts of the present case. I, therefore, held that both the workmen, namely, Sri S. N. Agarwal and Sri S.K.N. Nigam were entitled to get the special allowance prescribed for computer operator during the period from 7-5-90 to 20-11-95. Admittedly they have been paid special allowance prescribed for Data Entry Operator hence they are entitled to get difference between the special allowance of computer operator and data entry operator for the period from 7-5-90 to 20-11-95. During the course of arguments this tribunal was informed by the authorised representative for the union that the workman Sri S.K.N. Nigam died during the pendency of this proceedings.

11. In view of findings recorded above I hold that the claim of the union of special allowance payable to Sri S.K.N. Nigam and S. N. Agarwal the then data entry operator for the period 7-5-90 to 20-11-95 is legal and justified and both the workmen were entitled to receive the difference of special allowance between Data Entry Operator and Computer Operator. As the workman Sri S. K. Nigam died during the pendency of this case the legal heirs of the deceased workman are entitled to receive the amount by way of difference of wages between Data Entry Operator and Computer Operator, from the bank.

Both the reference are decided in favour of the workman and against the management of the bank. However the bank is directed to pay the difference between special allowance of Data Entry Operator and Computer Operator for the period 7-5-90 to 20-11-95 within a period of one month from the date of publication of this award, failing which the bank shall be liable to pay interest @10 per cent per annum, till the date of actual payment. This award shall form part of record of I.D. No. 12 of 98. Let a certified copy of this award be placed on the record of I.D. No. 12 of 98.

Reference is answered accordingly.

AWARD

1. Central Government, Ministry of Labour, New Delhi, vide its notification No. L-12012/273/97-IR(B-II) dated 20-7-98 has referred the following dispute for adjudication to this Tribunal :—

“Whether the action of the management of Union Bank of India in not promoting to Sh. Ram Lal Chetan, peon to the post of clerical cadre on acquiring a Madhyama (Visharad) Part-II qualification equivalent to B.A. Degree is legal and justified? If not, to what relief the said workman is entitled and from what date?”

2. In view of judgments of the Hon'ble High Court of Allahabad in Baburam and others versus Dy. Cane Commissioner, Moradabad (2000) UPLBEC 422 the claim is not being pressed on behalf of workman which is clear from the application moved by his authorised representative today i.e. 19-9-2000.

3. Thus the workman is not entitled to get any relief.

4. The reference is therefore answered accordingly against the workman.

PRESENT:

Employers in relation to the Management of Union Bank of India.

AND

Their Workman Shri Balakdas.

AWARD

The Central Government, Ministry of Labour, New Delhi, by exercising the powers conferred by clause (d) of Sub-section (1) and Sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 has referred this dispute for adjudication vide order No. L-12012/117/99/IR(B.II) dated 29-09-1999 on the following schedule:

SCHEDULE

"Whether the action of the management of Union Bank of India, through its Dy. General Manager (PD), Zonal Office, WZ II, Pune District Pune (MS) and Asstt. General Manager Ramdas Peth, Nagpur in dismissing the service of Shri Balakdas S/o Maroti Totade, (Cashier Cat. 'O' 'C') R/o Master Colony, Sawangi Meghe, Wardha District Wardha w.e.f. 6-6-96 is legal, proper and justified? If not, what relief the said workman is entitled to?"

Balakdas S/o Shri Maroti Totade has mentioned in his statement of claim that on 8-2-76 he joined service as clerk 2864 GI/2000—10.

in Union Bank of India. Since 14-5-94, he was posted in Mangladevi branch of Yavatmal as Head Cashier, category 'C'. He had more than 19 years of service at the time when first chargesheet dated 24-5-95 was issued to him by the management of the Bank. Another supplementary chargesheet was issued to him on 14-7-95 for gross misconduct.

Shri J. D. Kamble conducted departmental enquiry against him and submitted his findings on 28-5-96 and awarded punishment of dismissal from service of the bank without notice. The workman Balakdas stated that the Bank has relied upon the single testimony of one account holder Shri V. N. Deshmukh. The charge of misappropriation of Rs. 3600 was not proved against him. On 19-11-94 he did not purchase a withdrawal of Rs. 500 from Wardha branch, which is 90 km. from Mangladevi branch. Shri V. N. Deshmukh account holder had given statement during enquiry he had handed over Rs. 3600 to Balakdas M. Totade, Head Cashier in the presence of two peons. On the basis of suspicion he has been punished. The enquiry was not conducted fairly and impartially.

In the written statement the Asstt. General Manager of Union Bank of India stated that on 19-11-94 Shri V. N. Deshmukh holder of SB account No. 1348 had deposited the Rs. 3600. The workman Balakdas Totade received this amount in cash and destroyed the pay in slip and did not enter this amount in cash scroll or in cash receipt register, though he made an entry of Rs. 3600 in the pass book of account holder.

Workman remained absent from duty on 24-11-94 to 14-1-95. The workman had borrowed Rs. 2000 from one account holder Shri Dukharan Kumar in March 1993 and did not return this amount to him. Balakdas had admitted the misappropriation of funds and had made loss good to the bank on 20-10-95. The enquiry was held against him and he was given opportunity to cross examine the witnesses. The workman has misappropriated the Bank's funds and committed gross misconduct for which he was dismissed from service from 6-6-96.

Both the parties have filed documents. The statement of Balakdas was also recorded. He was cross examined by Shri Dadu Sachdeva, Advocate for Union Bank of India on 2-8-2000. Arvind V. Joshi also submitted affidavit for the management of the bank. It is mentioned in this affidavit that the Management of Bank rely upon the written statement dated 24-1-96 in support of its case. As regards legal averments they are correct as per legal advice.

Both the parties have submitted their written arguments. I have considered the oral and documentary evidence on record and the arguments of the advocates of both the parties. Both the parties have been represented in court through their advocates.

From the perusal of the written statement filed by the Asstt. General Manager, Union Bank of India through its advocate Shri Dadu Sachdeva on 24-1-2000 it is admitted to both the parties that from 14-5-94 workman Sh. Balakdas Totade was working as Head Cashier, Cat. 'C' in Mangladevi branch of Yavatmal.

1st chargesheet against workman was submitted on 24-5-95. The charges against the workman were as under:

Gross Misconduct:

1. Doing acts prejudicial to the interest of the Bank.
Minor Misconduct:

1. Absence without leave.

2. Incurring debts to an extent considered by the Management as excessive.

In the Supplementary Chargesheet issued to the workman on 14-7-95, it is mentioned that Shri Totade is informed that the allegations of his remaining absent unauthorisedly from 24-11-94 to 14-1-95 referred in chargesheet memorandum dated 24-5-95 stands cancelled in view of the fact that the Branch Manager, Mangladevi branch has since sanctioned leave to him for the said period.

It is further mentioned that on 29-11-94 Shri Balakdas Totade got a withdrawal form of Rs. 500 purchased from Wardha branch which was drawn on his SB A/c No. 2164 in Mangladevi branch. He gave written confirmation on 29-11-94 to Wardha branch that there was sufficient balance

in his account. This withdrawal was returned unpaid on 14-12-94 for want of sufficient funds. The undernoted charges were framed against him.

Gross Misconducts :

1. Doing acts prejudicial to the interest of the bank.

Minor Misconducts :

1. Absence without leave.
2. Breach of rule of business of the bank.

For charge No. 1 of Gross Misconduct that in doing acts prejudicial to the interest of the Bank, workman was dismissed from service of the bank without notice.

For the remaining minor misconduct absence without leave he was awarded punishment "stoppage of his next annual increment for a period of six months each".

For minor misconduct No. 2. Breach of rule of business of the bank he was awarded punishment "stoppage of his next annual increment for a period of six months".

It is further mentioned in order dated 28-5-96 that "However in view of the punishment of dismissal from the service of the bank the punishment of stoppage of its next annual increments for a period of six months will be infructuous".

Further his absence from 18-1-95 to 6-5-95 is also treated as unauthorised and hence on loss of pay and allowances.

If the amount of Rs 500 of withdrawal form purchased by him at Wardha Branch on 29-11-94 is not recovered so far, the same be recovered forth with from him.

In view of the aforesaid order of Disciplinary Authority Sri I D Kamble dated 28-5-96 the workman was dismissed from service w.e.f. 6-6-96.

As the punishment for minor misconduct have been declared infructuous by the disciplinary authority himself, now the dispute is for the punishment of Gross Misconduct No. 1. doing acts prejudicial to the interest of the bank punishment imposed dismissal from the service of the bank without notice.

The counsel for the workman argued that the workman has not caused any financial loss to the bank.

The counsel for the management for the bank argued that the workman had received Rs. 3600 from one customer Shri V. N. Deshmukh on 19-11-94. This amount has been paid by the workman on 20-10-95, hence the charge is proved.

The counsel for the workman has submitted ruling 1996 LAB. IC. 1056 Supreme Court Municipal Committee Bahadurgarh Vs. Krishan Bihari and Others. In this case referred in the ruling the respondent Krishan Bihari was convicted under Sect on 468 of I.P.C. and on this ground the Municipal Committee dismissed him from service. The order of the Municipal Committee dismissed the respondent was restored.

In this case the statement of Balakdas, the workman becomes important. Balakdas, in his cross examination on 2-8-2000, has admitted that he had received amount of Rs. 3600 from Shri Deshmukh and he had made entry in his pass book. He further says that Shri V. N. Deshmukh, customer later complaint to the bank. The witness therefore, accepts that he had received Rs. 3600 from Shri V. N. Deshmukh. It is mentioned by the management in written statement that the workman destroyed the pay in slip and did not make entry of the said amount either in the cash scroll or cash receipt register. The workman did not explain as to why he did not make entry in the cash receipt register after receiving this amount.

In cross examination the workman further says that ten to twelve days before 19-11-94 he had made payment of Rs. 4000 in place of Rs. 400 to one person and Rs. 3600 had become short in account. To tally the account he had made entry of Rs. 3600 in the pass book of Deshmukh. He did not submit his defence story during the enquiry proceedings. It is therefore, clear that the story given by him in his defence is an after thought.

He also did not mention the name of person whom he had made excess payment of Rs. 3600. He did not say anywhere in his statement that this amount was refunded to him by that customer. Thus, the statement of workman Shri Balakdas cannot be relied upon.

Considering the above oral and documentary evidence on record it is therefore, established that the workman Shri Balakdas misappropriated Rs. 3600 which he had received from customer Shri V. N. Deshmukh. The charge for "doing acts prejudicial to the interest of the Bank", therefore stands proved against the workman. In the aforesaid circumstances his dismissal from service without notice is justified.

ORDER

The action of the management of Union Bank of India through its Deputy General Manager (PD), Zonal Office, WZ II, Pune District, Pune (M.S.) and Asstt. General Manager, Remdas Peth, Nagpur in dismissing the service of Shri Balakdas S/o Maroti Totade, (Cashier Cat. 'O' 'C') R/o Master Colony, Sawangi Meghe, Wardha District, Wardha w.e.f. 6-6-96 is legal, proper and justified.

The workman is not entitled to any other relief.

The reference is answered accordingly.

This dispute coming on for final hearing on Wednesday, the 13th day of September, 2000, upon perusing the reference, Claim and Counter statements and all other material papers on record and upon hearing the arguments of Thiruvallargal D. Hariparanthaman and V. Ajoykhose, advocates appearing for the workman and of Thiruvallargal S. Vaidyanathan and N. G. R. Prasad, advocates appearing for the Management and this dispute having stood over till this day for consideration, this Tribunal made the following

AWARD

The Government of India has referred the following issue for adjudication by this Tribunal :

"Whether the action of the management of Indian Overseas Bank, Central office, Madras in dismissing the services of Shri G. Mahendran, Clerk, Thiruvanniyur branch w.e.f. 30-12-94 is legal and justified? If not, to what relief the said workman is entitled?

2. The main averments found in the Claim Statement of the Petitioner are as follows:

The Petitioner joined in the services of Indian Overseas Bank as a Typist on 21-10-1975. He became Clerk in 1985. In the petitioner's entire career of about two decades there was no complaint from customer or from the side of Bank administration. The petitioner's mother was a Cancer patient for a long time. The petitioner is the only son to his parents. He was married and also he has five children. The petitioner's father who is now aged sixty six years has been also sick. The petitioner's wife is the only daughter to her parents and one of the two sons of her parents died in road accident on 16-1-91 and the other son failed to look after his in-laws. The petitioner's father-in-law was a heart patient. He died there on 28-2-93. The petitioner got in the debt trap from where he was not able to come out. In these circumstances only the petitioner committed misconduct, by fictitiously crediting Rs. 16700/- to his account on 29-4-93. The petitioner was issued a Charge sheet dated 24-9-91. In the enquiry, he pleaded guilty and sought mercy in his matter. However, the petitioner's plea for mercy was turned down and he was dismissed from service by an Order dated 30-10-94. His appeal again pleading for lenient view was rejected by an Order dated 20-6-95. The petitioner regrets for the mistake committed and he should be given an opportunity in the life. Reformism is not only underlying criminal jurisprudence. But also followed in Industrial Jurisprudence. The Supreme Court in Scooter India case reported in 1989 1 LLJ p. 71 held as follows: Justice must be tempered with mercy, and that the erring workman should be given an opportunity to reform himself and proved to be a loyal and disciplined employee. The petitioner prays to pass an award holding that the non-employment of the petitioner is not justified and consequently direct the respondent to reinstate the petitioner in service with continuity of service, backwages and other attendant benefits.

3. The main averments found in the Counter Statement of the respondent are as follows:

The performance of the petitioner was only average. The sole question to be decided in the present claim is as to whether punishment of dismissal awarded to the petitioner by Disciplinary authority for the serious misconduct committed by him is justified or not. The petitioner G. Mahendran was appointed as Clerk/Typist in the respondent bank on 21-10-75. While working as Clerk at Thiruvanniyur branch of Indian Overseas Bank, he fraudulently and dishonestly made a fictitious credit entry for Rs. 16700/- in

S. B. A/c 9320 on 29-4-93 after the ledgers were balanced as on 28-4-93. The said amount so credited, was subsequently withdrawn by him on various dates. Taking advantage of the minor supervisory work entrusted to him on 29-4-93, the dismissed employee Sri Mahendran had initiated the wrong credit balance arrived at by him deliberately which consisted of the fictitious credit entry of Rs. 16700/-. To conceal the fraud Sri G. Mahendran had deliberately altered/inflated S. B. Supplementary and S. B. Progressive balances by Rs. 16700/- on 17-5-93. All the above acts committed by the petitioner amounts to gross misconduct within the meaning of para 17.5(d) and 17.5(j) of the Bi-partite Settlement between the Bank and its workmen dated 14-12-1966 as amended upto date. In the enquiry, the petitioner made a voluntary admission of the charges framed against him. After carefully examining management exhibits 1 to 9 and the deposition of the management witness MW. 1 and also considering the voluntary and unconditional admission of the charges, the Disciplinary authority held all the charges as proved. The petitioner was issued with a notice on 14-12-94. The petitioner did not send any reply to the same. The Disciplinary authority passed his original order on 30-12-94 awarding him the punishment of dismissal. The Claimant preferred an appeal on 3-2-95 to the Appellate authority against the order of the Disciplinary authority. The reason alleged by the petitioner for doing this misconduct is not relevant for the purpose of deciding the present claim. The mere fact that the petitioner had paid back the money of Rs. 16700/- fraudulently credited and withdrawn by him, is no justification for taking him back into bank service. The present case is not a mere case of misappropriation alone. The claimant had also deliberately altered/inflated the figures in the bank books to suppress the fraud committed by him. All the above acts clearly establish that the claimant not only misappropriated the amount of Rs. 16700/- but also manipulated bank records to suppress the fraud committed by him. No question of reinstating him in the service can arise in the fact and circumstances existing in the present case. In fact, the Supreme Court in its latest decision reported in 1998 (3) LLN 90 Union Bank of India Vs. Viswa Mohan has clearly held that bank employees found guilty of the charges of misappropriation should not be retained in the bank service as retaining them in service will erode the confidence of the depositors of the bank. The respondent prays to dismiss the claim of the petitioner.

4. On behalf of the petitioner, Ex. W1 to W29 were marked by consent. On behalf of respondent, Ex. M1 to M26 were marked by consent. No witnesses were examined for both sides.

5. The Point for consideration is: Whether the action of the management of Indian Overseas Bank, Central office, Madras in dismissing the service of Shri G. Mahendran, Clerk, Thiruvanniyur branch w.e.f. 30-12-94 is legal and justified? If not to what relief the said workman is entitled?

6. The Point: The petitioner Thiru G. Mahendran joined in the services of Indian Overseas Bank (respondent) as a typist on 21-10-75. He became a clerk in 1985. Ex. W1 dated 23-9-75 is an appointment Order issued to the petitioner. Ex. W2 is the Order of re-designating him as a clerk, w.e.f. 20-8-85. While working as a clerk at Thiruvanniyur branch, he had fraudulently made a fictitious credit entry for Rs. 16700/- in the S.B. Account No. 9320 on 29-4-93, after all the ledgers were balanced as on 28-4-93. The said amount falsely so credited was subsequently withdrawn by him on various dates. Taking advantage of the minor supervisory work entrusted to him on 29-4-93, the petitioner had initiated the wrong credit balance arrived at by him deliberately which necessitated the fictitious credit entry of Rs. 16700/-. To conceal this said fraud, the petitioner had manipulated the S.B.'s Supplementary and S.B. progressive balances by Rs. 16700/- on 17-5-93. Thus it amounted to gross misconduct within the meaning of para. 17.5(d) and (j) of the Bipartite Settlement dated 14-12-66. Ex. W3 is the Charge sheet issued to the petitioner. Ex. W4 is the Enquiry notice dated 28-1-1994. The proceedings of the enquiry from September to December 1994 were marked as Ex. W5 and W6. In the meantime, he was suspended as noted in Ex. M2 dated 24-9-93. He has given a reply through Ex. M3 dated 9-11-93. After

granting adjournments, as sought for by the petitioner through Ex. M6 to Ex. M9, the proceedings of domestic enquiry had gone ahead. There was a finding by the enquiry officer through Ex. M11. Ex. M12 is the show cause notice and Ex. M13 is the proceedings of the Personal hearing. Ultimately on 30-12-94, the petitioner was dismissed from the services through Ex. M14 order. Ex. M15 is the Appeal preferred by him. Ex. W8 dated 20-6-95 is the order by the Appellate authority confirming the earlier order of dismissal. Then there was an application to the Labour Commissioner through Ex. W9 documents through W. 10 and W11 are remarks of respondent and Reply of petitioner respectively. Thus the matter had been referred to this Tribunal.

7. In para. 9 of the Claim statement itself, the petitioner had admitted the misconduct on his part. It is in the following lines:

"In these circumstances, due to the family problem as explained above, the petitioner got in the debt trap from where he was not able to come out. In those circumstances only the petitioner committed misconduct, by fictitiously crediting Rs. 16700/- to his account on 29-4-93. Thereafter the petitioner withdrew the said amount to face the debt problem."

8. In the Proceedings of the enquiry marked as Ex.M10 also, the petitioner has admitted his misconduct and it is in the following lines:

"During the three years period prior to 1993 I had fallen into severe debt trap due to series of problems faced by family. I could not repay the money to the persons from whom I have borrowed. There reached a stage when I was threatened physically by the creditors. It was under these circumstances I have committed the acts mentioned in the charge sheet. I have five children. My first son is studying B.Sc. 2nd year; second son plus 2, 3rd son 10th Std. and a daughter 5th Std. and the last son 3rd Std. Now I sincerely regret for what I have done and request you to consider my case sympathetically and reinstate me in the service."

9. During the course of enquiry the defence representative had also waived Cross-examination of MW.1. In Ex.M13 also besides his admission of guilt pleaded on the following lines:

"I request you to show the same mercy on me. In my life I have been suffering always. My parent who are dependent on me always suffered due to illness. My mother who was the casualty to the cancer died on 23-9-92 after I have spent thousands of rupees for her. Now my age old ailing father, mother-in-law and my wife with my five children studying in the colleges and the schools are wholly dependent on me. Except myself they have no other source of income at all. If the proposed punishment of dismissal is awarded to me my entire family will be in pathetic condition and be thrown to streets."

Under Ex.M15 also, he has said as follows:

"Sir, I have pleaded guilty of all the charges levelled against me and also repaid to the bank the entire loss due to my acts."

10. That apart the additional documents filed through Ex. M19 to M26 would go to prove the undue withdrawal of various amount totalling

Rs. 16,700 already shown to have been falsely credited by the petitioner. Ex. M19 would go to show that the ledger folio No. 282. There has been a wrong credit made therein in order to make subsequent withdrawals to be made by petitioner to unduly enrich himself. Thus besides the admission of petitioner culled out from his own claim statement and Ex. M10, M13 and M15 it has been established by the Documentary evidence of Ex. M19 to M26 and also the oral evidence of MW1 that the petitioner had committed gross Misconduct of Misappropriation of Rs. 16,700.

11. Now the explanation adduced by the petitioner is that he has repaid the entire loss caused to the bank. This has been stated in Ex. M15. It may be true but had the misconduct not been probed and found out the petitioner would have no chance to repay the said sum. Thus the question of repayment by the petitioner subsequent to the search made by the management will not undo the wrong. Again the fact that the petitioner and his wife being the only son and only daughter of their respective parents that the illness of the later and the unfortunate circumstances in which their families were put up, as described and shown under Ex. W20 to W29 will not absolve the offence made out; nor will it justify the grave misconduct of the petitioner.

12. These factors have been cited to invoke the principle that justice may be tempered with mercy, as laid down in 1989 1 LLJ p. 71 where the following stand was taken "it cannot therefore be said that merely because the Labour Court had found the enquiry to be fair and lawful and the findings not to be vitiated in any manner, it ought not to have interfered with the Order of termination of service passed against the respondent in exercise of its powers under Sec. 6(2A) of the Act". He also cited 1987 1 LLN p. 405 wherein it was held that while exercising the discretion under Sec. 11A of the Act, there should not be decisive approach, for that would practically stagnate and make it illusory the benevolent power conferred under that provision. But these case laws cited by the learned Counsel for the petitioner related to Misconduct of Assault which may injure only one individual namely the injured; whereas the injury caused by misappropriation will be related to the entire economy of the country, thus touching each citizen. Whether the amount is huge or small is not the question whether the Act of Misappropriation was there is that with which we are concerned. In fact that was so held in 1997 1 LLJ p. 391.

13. The Learned Counsel for the Petitioner relied upon the case of Sankaradass reported in 1985 SC II LLJ 184 wherein the Lower Courts act of showing sympathy in the following lines are justified. "Misfortune dogged the accused for about a year... and it seems that it was under the force of adverse circumstances that he held back the money in question...". Moreover that also was a case of misappropriation. But in a later case law in 1998 III LLN 367. It has been held that Corruption and Misappropriation should be viewed seriously and no leniency shall be shown. Even in a recent case law in 2000 II LLJ p. 648, which is a case of Division Bench of

Supreme Court, it has been held that the current position of proportionality in administrative law in England and India can be summarised as follows :

“(1) To Judge the validity of any administrative order of statutory discretion, normally the Wednesbury test is to be applied to find out if the decision was illegal or suffered from procedural improprieties or was one which no sensible decision maker could, on the material before him and within the framework of the law, have arrived at. The Court would consider whether relevant matters had not been taken into account or whether irrelevant matters had been taken into account or whether the action was not bona fide. The Court would also consider whether the decision was absurd or perverse. The Court would not however go into the correctness of the choice made by the administrator amongst the various alternatives open to him. Nor could the Court substitute its decision to that of the administrator. This is the Wednesbury test.

(2) The Court would not interfere with the administrator's decision unless it was illegal or suffered from procedural impropriety or was irrational in the sense that it was in outrageous defiance of logic or moral standards. The possibility of other tests, including proportionality being brought into English Administrative Law in future is not ruled out. These are the CCSU principles.”

Hence viewed in any angle misconduct being a grave one touching the fiscal matter especially of the bank where public money is involved, deserves no leniency or sympathy, the termination is upheld and justified. Award passed. No costs.

... For Management.

AWARD

The Government of India as per Order No. L-12012/301/98/IR (B-II) dated 29-4-1999 referred the following issue for adjudication to this court :

"Whether the action of the management of Central Bank of India in denying conversion to full time sub-staff (FTSS) to Sri. T. K. Soman is justified? If not, what relief the workman is entitled to?"

2. Pursuant to the notice issued from this court the management entered appearance. Though several notices were issued, the union did not turn up and prosecute the matter. The registered notice sent to the union was returned back with the endorsement of the postal employee to the effect that although intimation was given the addressee did not care to accept the same. In the above circumstances, this court is pleased to think that the union is not at all interested to pursue the dispute and that there is no existing industrial dispute between the parties.

In the result, the reference is answered holding that no industrial dispute is pending to be adjudicated upon.

The Divisional Railway Manager

By reference No : L-41012/139/99 IR(B-I) dated
31-8-1999, the Central Government in the Ministry of
Labour, in exercise of powers conferred by clause (1)
of sub section (1) of section 10 I.D. Act., 1947 made
over this industrial dispute between Madan Singh S/o
Shri Ashish Singh and Divisional Railway Manager,
North Eastern Railway, Lucknow for adjudication.
The reference is re-produced as under :

"Whether the action of the North Eastern Rail-
way in terminating the services of Madan
Singh from 16-2-1988 from the post of
Substitute Khalasi was legal and justified?
If not what relief the workman is entitled
to and from what date?"

Initially, the workman, Madan Singh, was engaged
as casual labour under the Public Works Inspector
(PWI) on 6-8-1980 in the North Eastern Railway,
Gorakhpur. He had three such engagements i.e.
6-8-80 to 25-8-80, 16-9-80 to 15-11-80 and 6-12-80
to 5-1-81 as casual labour, under the same PWI. A
casual labour card (Ex. W1), as prescribed under
rules with photograph of the workman, was prepared
by the PWI, North Eastern Railway, Gorakhpur. This
casual labour card has no entries other than men-
tioned above, to indicate further engagement of the
workman in that unit, as casual labour.

The workman produced another casual labour
(Ex. W2), which is without his photograph and sig-
nature but with thumb marks. The entries indicate
engagement of Madan Singh as casual Khalasi under
the PWI, North Eastern Railway, Mailani. Four en-
tries i.e. 15-1-81 to 31-3-81, 15-4-81 to 31-5-81,

1-6-81 to 31-8-81 and 15-9-81 to 30-11-81 with endorsement showing 20-9-81 to 23-9-81 as absent are found on Ex. W2. These entries were made by the PW1, North Eastern Railway, Mailani. Again on this card working from 15-4-82 to 30-4-82 as casual Khalasi with PW1, North Eastern Railway, Sitapur is noted. It is not denied that the workings entered the two casual labour cards Ex. W1 and Ex. W2 relate to Civil Engineering Department of Lucknow Division, North Eastern Railway.

Further, the workman was appointed 'substitute Khalasi, in pay scale of Rs. 750-940 temporarily under the Electrical Foreman, Lucknow. The appointment letter No. E-11/227/6/Elect. dated 26-11-1987 was issued by the Divisional Railway Manager (Electrical) Lucknow. The name of the workman find reference at Sl. No. 2 of the appointees. This order, further, mentions that the appointment is made, in view, that the workman was appointed prior to 1981. The workman joined on 1-12-1987 and treating him with temporary status, privilege pass was issued to him also. This fact is not denied by the management. Madan Singh continued to work till 15-2-1988 and was discharged from service, in terms of office order No. : E-11/34/Elect. dated 11/16-2-88 with immediate effect. It is not denied by the management that notice was not given or retrenchment allowance or notice pay paid to the workman, at the time of his discharge. According to the workman, he had acquired temporary status and was placed in pay scale, availed privileges railway pass and other facilities as admissible to the temporary employees. By discharging without any notice the management acted illegally in defiance of rule of natural justice. It's action was also not in conformity of section 25-F I.D. Act. It is also pleaded that Sub-Rule (1) of Rule 149 Railway Establishment Manual-1 was not complied with by the management in discharging the workman.

The management does not dispute factum of engagements mentioned in Ex. W1 and further as substitute Khalasi from 15-1-81 to 30-6-82 as per entries in Ex. W2. However, it is denied that artificial gaps were shown to deny service benefits. The management pleads that 'substitute labour' on temporary basis derive no right to absorption. Further, reliance is placed on Railway Board Circular No. : E(NG)/11/78 CL/2 dated 22-11-1984 which states that absence for two years continuously, entitle the railway to strike the name of casual labour from the live register for casual labours.

It is further pleaded by the management that the workman had worked under Civil Engineering Department as casual labour or substitute labour as per entries in Ex. W1 and Ex. W2. He had never worked in any capacity in the Electrical Engineering Department, which was different unit. The works in Civil Engineering and Electrical Department were totally different. Madan Singh working in Civil Engineering did not make him eligible to be considered in electrical department as the working were not of 'same type'.

The second submission of the management is that Madan Singh worked less than 120 days before 1-1-1981 as per entries in Ex. W1 and this period of working did not qualify him to be considered

as per stipulations in appointment order 26-11-1987. Management also doubts Ex. W2 beside stating that the workings shown in Ex. W2 would not entitle the workman to temporary status as his engagement was without approval of the GM, North Eastern Railway as required under rules. Further Ex. W2 does not have photograph of the workman or his signature as in Ex. W1 and so presumption of correctness can not be drawn. The workman did not adduce any evidence to prove correctness of the entries. In this contest, it is also pleaded that only one casual labour card was required to be prepared and Ex. W1 was already there with the workman. What necessitated to get prepared Ex. W2 has not been explained by the workman.

Factors necessitating preparation of Ex. W2 and related matters giving any legal or temporary status to the workman on the basis of entries in Ex. W2 is not covered by the reference. The reference is specific about the discharge on 16-2-88. Temporary appointment vide order dated 26-11-87 was on the basis of engagement prior to 1981 and not after 1981. Viewed, so, further scrutiny of Ex. W2 is not warranted. This Tribunal is required to adjudicate under the scope of reference alone.

The management case, in substance, is that the workman deceitfully and in connivance with some staff got himself appointed in Electrical department, to which he had similarly placed, were not eligible. The management on coming to know about such illegal appointments canceled the appointments and discharged the workman including Madan Singh. The management through Asstt. Personal Officer M. W1 Subhas Chand Singh stated the related file is no longer traceable. One Sheo Murti Lal was behind the illegal appointments. Administrative and vigilance action were intimated against him but he died. M. W1 pleaded his inability to trace the files after such a long gap for more than 12 years but justified management's action by references in evidence of the parties.

In the light of emerging facts and pleadings of the parties, it seems appropriate to scrutinise letter of appointment dated 26-11-1987 (Ex. W4), with a view to evaluate whether the workman Madan Singh was eligible to be considered for appointment in the electrical department on the basis of his past service prior to 1981, as shown in Ex. W1. It is pertinent to take notice that engagement of the casual labour was completely banned in the railways, except where necessary in exigencies of work but, that too, with prior or post personal approval of the General Managers of the Zonal Railways, undisputed fact is that this order became effective after 31-12-1980. In this proceeding, eligibility of appointment is claimed on the past working before 1981. Total entries of working days shown in Ex. W1 did not qualify the workman to gain temporary status and so his appointment temporarily in electrical department without having worked for 120 days was patently illegal.

Further, the workman had worked as casual labour (Ex. W1) in civil engineering which is a different department and unit. The nature of work was also of not 'same type of work'. This also disqualified the workman to have considered for appointment in electrical department and his order of appointment (Ex. W4) was invalid.

Chapter XX of the Railway Establishment Manual deals with Casual Labours, Rule 20001 defines 'casual Labour' eligible for acquiring temporary status. It is necessary for casual labour to have done 'same work' or 'same type of work' for 120 days for acquiring temporary status. Note (1) of the said Rule 2001 clarifies 'same type of work'. The workman did not work for 120 days, beside he did not perform same type of work to be eligible for consideration in the electrical department.

It is pleaded by the management that on scrutiny of the appointments, vigilance enquiry was ordered against the concerned officer late Sheo Murti Lal and those who were ineligible to be considered were discharged. The workman was not casual labour prior to 1981 in the electrical department and had not completed 120 days to qualify for consideration, to be given temporary status/employment. It is contended that the workman does not claim to have worked for 120 days before 1981 as mentioned in Ex.W4 or in the same type of work in the electrical department. Thus, on the basis of admitted facts, his very appointment (Ex. W4) was void-ab-initio being contrary to law. For discharge of such employee Rule 25-F of I.D. Act is not applicable.

Section 25F of I.D. Act implies legal engagement/appointment and gives right on fulfilment of requirement of Section 25-B (Continuous service). In the instant adjudication, the requirement of section 25-B is not fulfilled as the workman did not work for requisite period envisaged in the said section. Also, the workman did not complete 120 days working before 1981 which may confer temporary status. The working period after 1981 was not taken into consideration in appointing the workman as is evident from Ex. W4 which mentions working before 1981. The period of working Ex. W2 may not have been taken into consideration, either because the facts not brought to knowledge or the same not having seal of approval of the General Manager giving legitimacy to the engagement. In view of the said discussions, the very appointment dated 26-11-87 (Ex. W4) being contrary to law, the workman is not entitled to protection of section 25-F of the I.D. Act. Nothing is shown that Rule 149 of Railway Establishment Code has application in such type of discharge, where the appointment is invalid. In the facts and circumstances, of the case, the workman is not entitled to relief claimed and the reference may be answered against him.

It is submitted that rule of natural justice was not observed at the time of discharging the workman, as much as that no notice was given. It may be noted that the case related to year 1988 and the relevant file is untraceable as discussed earlier. The action against the discharged employee was not punitive but based on scrutiny of documents which disentitled the workman to be considered for appointment in the electrical department. It cannot be assumed that the workman was unaware with this investigative exercise. Even the workman failed to substantiate his entitlement before this Tribunal. It has already been observed that rules disentitled him to be considered in electrical department, and this being the situation, this tribunal cannot grant relief of reinstatement, as it would perpetuate the illegality which was rectified by way of discharge.

The management also pleaded that this dispute was raised about 12 years later, depriving the management to file best available evidence, as the connected persons either died or retired and so the claim should be rejected being barred by time. The explanations of delay are not convincing and there is obvious laches. The management plea is upheld on the count also.

Accordingly, the award is answered against the workman, upholding his discharge in accordance with law. The workman is not entitled to any relief.

AWARD

The Central Government, Ministry of Labour, New Delhi, by exercising the powers conferred by clause (d) of Sub-section (1) and Sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred this dispute for adjudication vide order No. L-22012/34/98/IR(CM.II) dated 22-12-1998 on the following schedule:

SCHEDULE

"Whether the action of the management namely Sub-Area Manager, M/s. WCL, Durgapur Opencast Sub-Area PO Durgapur, District Chandrapur in dismissing Sh. R. M. Askar w.e.f. 02-07-1996 is justified? If not,

to what relief is the workman entitled? What other directions are necessary in the matter?"

The case was called out on 12.10 P.M. The workman R. M. Askar is absent. Nobody appeared to represent him. In this court workman has not submitted any statement of claim. On 05-07-2000 the second notice was issued to workman by the Registered Letter. Neither the workman turned up today, nor any representative of his union turned up to represent him.

The workman remained absent on several dates in the CGIT Court No. 2 at Mumbai though notices were issued to him for appearance in the court by registered post. The representatives of his union also did not turn up to conduct the case for the workman.

The counsel for WCL, Shri Govind Mishra is present. He argued that the workman R. M. Askar remained absent from duty from 05-11-94. In the chargesheet it is not mentioned that upto which date he was absent. Chargesheet was issued against workman on 10-12-94. The chargesheet itself is wrong as duration of his absence is not mentioned.

The workman has not submitted any statement of claim in this court. No documents have been filed by workman. As the workman is avoiding his appearance in the court and has not preferred to proceed with the case, the reference is disposed of for want of prosecution.

AWARD

The Central Government, Ministry of Labour, New Delhi, by exercising the powers conferred by clause (d) of Sub-

section (1) and Sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred this dispute for adjudication vide order No. L-22012/216/97/IR(CM.11) dated 05-05-98 on the following schedule :

SCHEDULE

"Whether the action of the management of M/s. WCL, Ballarpur Colliery in terminating the services of Sh. Ganpat Komarrayya w.e.f. 12-10-96 is legal and justified? If not, to what relief is the workman concerned entitled?"

Shri Ganpat Komarrayya has submitted his statement of claim that his father-in-law Shri Morpaka Yellayya was in service of WCL. He was retired from the service in 1980 due to becoming medically unfit.

The workman claimed that he was married with Shobha, the daughter of Morpaka Yellayya and he moved an application for appointment as Loader in WCL. He was appointed at Ballarpur vide order dated 13-5-93 as he claimed himself to be dependent on Morpaka Yellayya.

In 1994 enquiry was instituted against him for getting employment by fraud and he was dismissed from services on 12-10-96.

The management of WCL has challenged the claim of workman in their written statement. It is alleged that Sh. Morpaka Yellayya was appointed as Trammer-cum-Loader in 1957. He became medically unfit and his services were terminated on 14-1-80.

In 1991 Shobha applied for providing employment for her husband Shri Ganpat Komarrayya in place of her father. She stated that she was the only daughter of her father Shri Morpaka Yellayya and at the time of termination of the services of her father she was twelve years old. Shri Ganpat Komarrayya was appointed on 13-5-93 as son-in-law of Shri Morpaka Yellayya as the dependant of his father-in-law.

The enquiry was instituted against workman Shri Ganpat Komarrayya that he had submitted wrong information. At the time of his appointment he was not dependant on Shri Morpaka Yellayya and he was not married with Shobha at the time when Shri Morpaka Yellayya became medically unfit.

The enquiry officer submitted his report on 29-5-96. He concluded enquiry by stating that the charges levelled against Shri Ganpat Komarrayya under Standing Order 26.1, 26.9 and 26.43 are proved beyond doubt. Shri Ganpat Komarrayya had not attended the status of son-in-law of Shri Morpaka Yellayya at the time of his becoming unfit for service on 14-1-80. He was not residing with him.

Additional evidence was recorded on 10-10-96 on the application of workman and statement of Shri Morpaka Yellayya was recorded.

The issue Nos. 1 and 2 regarding fairness of domestic enquiry were decided by Shri S. B. Panse, Presiding Officer, G.I.T. Court No. 2 at Mumbai. In his order dated 5-8-99 Shri S. B. Panse held that domestic enquiry was conducted according to the principles of natural justice. The findings of enquiry officer are not perverse.

I have heard the arguments of Shri B. N. Prasad, counsel for WCL, and the counsel for workman Shri B. P. Dharmadhikari.

Both the parties had submitted their written arguments in the court of Shri S. B. Panse. The counsel of both the parties also orally argued the case. The counsel for workman argued that the validity of marriage of Ganpat Komarrayya can be challenged in the civil court. It is argued that they were married in the childhood and the child marriages are permissible in the community of workman.

Shri B. N. Prasad, counsel for WCL argued that Shobha was aged about eight years and was not fit for marriage. The workman was not son-in-law of Morpaka Yellayya, hence he was not entitled to get appointment. The enquiry officer has given full opportunity to the workman to cross examine the witnesses and to produce evidence in defence also.

The statement of Shri Morpaka Yellayya recorded on 10-10-96 by the enquiry officer, clearly shows that Shri Ganpat Komarrayya is the son of his sister. This witness says that he had four sons and three daughters. His three sons are

employed in WCL. His one son has died. He had three daughters. This witness deliberately avoided to mention the date of marriage of his daughter Shobha with workman Shri Ganpat Komarrayya.

Question No. 5 has been asked from witness when Ganpat Komarrayya was married and what was the age of Ganpat Komarrayya and his daughter. The witness replied that he does not know in which year they were married. The age of his son-in-law was ten to eleven years old and the age of his daughter was five to six years. It is therefore, clear that the witness did not prefer to disclose the year of marriage of Ganpat Komarrayya with his daughter. When Ganpat Komarrayya claimed himself to be dependant on his father-in-law, then the date and year of marriage was the important factor. This witness admitted that he had become unfit for service in 1980. He does not say anywhere that Ganpat Komarrayya was married with his daughter before 1980. He says that his other sons were married when they became major. They were not married in their childhood. This witness further says that he does not know the names and addresses of the brothers of his son-in-law Ganpat Komarrayya.

This statement therefore, shows that the witness has been telling a lie. He has deliberately avoided to mention the year of marriage of Ganpat Komarrayya with Shobha.

According to statement of this witness the workman applied for appointment in WCL in 1991 whereas Morpaka Yellayya had retired on 14-1-80. There is no obvious reason as to why he did not move for appointment in the year 1980, when Morpaka Yellayya had retired.

In form (F) for payment of gratuity the age of Shobha is mentioned as 21 years. This form was filled by the workman. He has mentioned the age of Shobha as 21 years and her date of birth is 15-1-73. The workman has mentioned his date of birth as 25-4-65. In 1980 he was 15 years old. Therefore in 1980 he was not eligible for any appointment. Morpaka Yellayya became medically unfit for continuing in service.

In these circumstances, it is clear that the workman gave wrong information and submitted false certificate of age etc. at the time of his appointment to enter into the service. The enquiry officer has therefore, based his findings on the evidence produced by the workman and the management. The management has terminated the services of the workman considering the seriousness of the charges. He was also given full opportunity to show cause why he may not be dismissed from service. On 12-10-96 the service of the workman was terminated.

There is nothing on record to show that the workman was living with his father-in-law on 14-1-80. The workman was having his parents and brothers and sisters. The workman has not explained anywhere as to how he became dependant on his father-in-law. According to the service rules the unemployed sons, unmarried daughters and the widow of the employee depend upon the employee and are termed as his dependants.

If Ganpat Komarrayya had married with Shobha before 1980 than Shobha was not dependant upon her father Morpaka Yellayya. She became dependant upon her husband. A wrong claim was submitted by workman that he is dependant upon his father-in-law. The son in law was therefore not dependant upon the father-in-law. If Ganpat Komarrayya had married with Shobha in 1980 or prior to it, Shobha was not dependant upon her father Morpaka Yellayya. In these circumstances Ganpat Komarrayya had no right to get the job in WCL as dependant of Morpaka Yellayya.

Shri S. B. Panse, Presiding Officer, C.G.I.T., Court No. 2 at Mumbai has mentioned that Hunmanth Yellayya son of Morpaka Yellayya was offered an employment as dependant, therefore, the claim of the workman on that ground was also not feasible. He had committed a major misconduct contemplated under clauses 26.1, 26.9 and 26.43 of mines Regulations.

The findings of the Presiding Officer, Shri S. B. Panse dated 5-8-99 has not been challenged in any court and has become final.

Considering the entire oral and documentary evidence on record, I, therefore, hold that the action of the management of M/s. WCL, Ballarpur Colliery in terminating the services of Shri Ganpat Komarrayya w.e.f. 12-10-96 is legal and justified. The ruling submitted by the counsel for employer 1994, LAB. I.C. 762, Supreme Court, Managing Director, FCL, Hyderabad Vs. B. Karunakar does not help any way in this case.

ORDER

The action of the management of M/s. WCL, Ballarpur Colliery in terminating the services of Shri Ganpat Komarrayya w.e.f. 12-10-96 is legal and justified.

The workman is not entitled to any other relief.

The reference is answered accordingly.
